### **Pledge of Originality:**

The poem or artwork I am submitting to the Coastal Art and Poetry Contest is my own original work. If my poem is a reference to an existing poem, I have named the poem and poet on my entry. I did not trace other artwork or photography, or digitally alter an existing photo or image that was created by someone else. My art is not AI-generated. If I used an image created by someone else (a photo of an animal, for example) as a model for an art entry, my artwork is significantly different to avoid plagiarism. No hands other than my own were involved in the creation of the artwork.
