

HOW TO ENTER THE CLIMATE VIDEO CHALLENGE

Be sure to read all the rules at www.coastal.ca.gov/climatechallenge. Film makers must be middle or high school level students in California, in school or homeschool. Please submit the information on this page to the California Coastal Commission along with a "[Consent, Waiver of Liability, and Release](#)" form signed by each film maker (and parent or guardian if under 18).

ONLY if you show someone's face in your video, you must submit a "[Right to Use Video Likeness](#)" signed by that person or their parent or guardian if under 18.

You can scan the forms or take photos of them. Just make sure that the image is clear enough to read. **Email the form(s) and the information below to coast4u@coastal.ca.gov with the subject line CLIMATE VIDEO CHALLENGE by the deadline: 5:00pm MAY 31, 2023.**
