

HOW TO ENTER THE CLIMATE VIDEO CHALLENGE

Be sure to read all the rules at www.coastal.ca.gov/climatechallenge. Please submit the information on this page to the California Coastal Commission along with a "[Consent, Waiver of Liability, and Release](#)" form signed by each film maker (and parent or guardian if under 18). *ONLY if you show someone's face in your video*, you must submit a "[Right to Use Video Likeness](#)" signed by that person. You can scan the forms or take photos of them. Just make sure that the image is clear enough to read.
