# Resolution No. 10022017

Resolution of the  
California Wildlife Foundation

Approving the  
Application for Funds from the  
California Coastal Commission

For Climate Science Alliance Project

WHEREAS, the Commission awards grants for projects that it determines are consistent with Division 20 of the Public Resources Code and with the Commission's objective of protecting and enhancing California's coast and ocean for present and future generations;

WHEREAS, the Commission requires that governing body of the grantee certify through a resolution that it approves the application for Commission grant funding and authorizes the execution by a representative of the grantee of a grant agreement on terms and conditions required by the Commission; and

WHEREAS, the California Wildlife Foundation manages the Climate Science Alliance Project, which provides field trips and educational programs for children to learn about climate change and seeks funding to support these objectives;

NOW, THEREFORE, be it resolved that the grantee hereby:

1. Authorizes the proposal for grant funding from the Commission for this project;
2. Designates Janet Cobb, Executive Officer as CWF's authorized representative; and
3. Authorizes representative to enter into a contract with the Commission if the grant is awarded.

APPROVED AND ADOPTED October 5, 2017

I, the undersigned, hereby certify that the above Resolution No. 10022017 was duly adopted by the grantee by the following roll call vote:
